ALLOCATION LIST LOAD UNALLOCATED	Jimmy: Dude, your pot must be the best . it made the cover of High Times Magazine! Thanks for sending me the Cover Page. What do you put in your soil when you plant the marijuana seeds? At least I know your growing it and not some guy in Columbia.
	These kids, they tell me marijuana isn.t addictive, but they don.t stop buying from me. Man, I.m sure glad you told me about targeting the high school students. You must have some experience. It.s like a guaranteed paycheck. Their parents give them money for lunch and they spend it on my stuff. I.m an entrepreneur. Am I only one you sell to? Maybe I can become distributor of the year!
	I emailed you the schedule that I am using. I think it helps me cover myself and not be predictive. Tell me what you think. To open it, use the same password that you sent me before with that file. Talk to you later.
	Thanks,
